“ Our thoughts and prayers are with Alvideen's family. I was working there at the funeral home when Carl passed away; and became acquainted with Alvideen. For the remainder of the time that I lived there in Salyersville, she was a great friend. She was a great person and will be greatly missed in Magoffin County.

“ Dear Family,I only learned today of Alvideen's passing. As I reflect back to the time my mother and I visited with Alvideen so many years ago, not only did she and my mother Maureen (her first cousin) share stories of their youth, but Alvideen was my tour guide leading the way on an adventure I will never forget. We attended the annual Salyer reunion. She introduced me to the cousins I never knew, the old homesteads of my mother and her grandfather George Howard as well as other relatives, Alvideen's sister Deloris, another beloved cousin who has since passed, many of their first cousins, and various relatives' graves. She opened her home to us with love and fed my mother the best southern cuisine she'd had in a very long time. My mother shared with Alvideen stories of her sweet mother Hattie, Maureen's aunt that she had never heard before. Now they are reunited for all eternity. We suffer the loss of a loved one, but know that we will be reunited in Heaven. Peace be with you. .
