“ My best memories of Anthony was when I was a sophomore in high school. He drove a big old black car, not sure of the decade probably early 40's. Anyway, he would graciously give the keys to Kristy whenever she asked, and we would fill it with girlfriends, chip in our change for gas and cruise around. He never refused to give us the car once, just said, "Be careful you all." God Speed you on your way, you kind-hearted man." My sincere condolences and hugs to you, Kristy. I know you will miss him.

“ I am sorry that I wasn't able to attend Anthony's viewing or funeral. I certainly considered Him a good friend for many years after working with Him at the Parkway Standard Station in the early 70's. We didn't work together for a long period of time but all memories are good ones. I hope we can meet again on Heaven's shore.
