“ I am saddened to hear of Anthony's passing. Several years ago, I had the pleasure of working with and getting to know him during my time of employment at the Salyersville Nursing Home. He was such a fun, kind, and loving human being. The residents at the time appeared to adore him. He seemed to always be cutting up with someone. Just a happy go lucky guy. My thoughts and prayers are with his family. May you find peace, comfort, and strength in the upcoming days through the Lord.
