“ *She was always so kind to us. Dad and I would go over to her house on our 4wheelers and visit, One time her dog went around to each 4 wheeler tire and peed on it.. Something i still laugh about today. IT was the strangest thing. Following this tradition my kids and I would often ride our horses to see her. Such a pleasant woman. Will miss her kindred spirit. “ Our little family met Pastor Arbadella after we found our selves homeless. Pastor Arbadella put us into contact with the CAP office and we moved into an apartment. From there we attended Cow Creek Church, my husband became a local officer and we had an awesome relationship with Pastor Arbadella. She will for sure be greatly missed but we know we will meet again. May God bless her family. She touched so many and helped so many!! Amazing woman of God!! RIP.
