“ *Ms. Bev was an amazing woman. She sure loved her country music. Especially Willie Nelson. Also loved to talk about things that most older people would never discuss. Everything from a-z you name it we talked about it. She also loved 5th avenues and zagnut candy bars. We had many discussions I know her family like we are kin. If they all knew the things we talked about they would wonder who am I. I'm a Christian man who enjoyed the times spent at Ms. Bevs. Don't worry her secrets are safe with the chicken cross man..Ms Bev love ya and you are missed.*
