“ I am so sad and heartbroken about Carolyn’s passing 🥺🥺 She and I had become so close during the past months. We messaged often and she would be the one always giving encouraging words. I loved her too. May God send comfort and strength to all the family. I will surely miss her. She was my friend ❤️❤️🙏

I barely remember a time when Carolyn wasn’t my friend. We were 1. Grade school together and remained friends throughout our lives. When she would tell me about her medical issues, not once did she ever feel sorry for herself. We had a habit of late night conversations through texting. We communicated until she became too ill. My heart is broken that she is gone too soon. Rest peacefully, my dear friend.
