“ David and I played together as children. He was my best friend when we were little. Our parents were friends. I remember running around having so much fun with him. I spent many nights at his house. He used to run around outside with his shirt off and not knowing that I was different and wanting to be like him, I would try to run around without a shirt too. Ha! I am shocked and very saddened to hear of his passing. Love and prayers to the family.
