“ *Diane we are cousins. When momma and daddy and my sister use to come to the mountains I couldn't wait to see you! We would have so much fun going places. I'd spend the night at your house and even went to school with you one day. We always laughed and had so much fun! I'll miss talking to you! I'll see you on the other side! I know you're loving on everyone! What a homecoming!! God bless you cousin! Love you so much!!*
