“ Hale Family: I'm so sorry for your loss. I hadn't seen Donnie (Killer) in years but the last time I saw him, he was so happy, he was telling me about his daughter. Donnie (Killer) was always so nice and had the biggest heart. He will be missed by so many. My thoughts and prayers are with his family and friends.

“ Donnie, I never thought when I saw you in Prestonsburg back in January that it would be the last time. I think back to when you all were just kids. Herman would bring something for you and Steven. Watches and stuff he thought you boys might like to have. Steven was quiet but you always had a smile and plenty to say. Until we meet again. Bern.
