“ Dwayne was all ways there back in the day. He help me move and he was a great guy. When his first wife passed. I know it was hard on him. He was so lost for awhile but then he meet Ruby and his world was turn back right, and that make him a whole person again. It is a sad lost that he is gone, but to be in no pain is so much a blessing. May God be with his family now and always.

“ He was my big brother, my best friend that shared everything in life with me. I struggled with myself about attending his services today and decided to remember him with a good memory instead. Fly high, my brother.
