“ *You were one of my childhood friends from The Hill in Indiana. You reinforced how prayer can answer the desires of your heart when we were just kids ....I will miss your loving heart and sharing our love for our grandchildren on our phone calls and texting. I am sure you are enjoying being in the presence of our Lord and savior and playing your guitar and singing again ....just as the song goes, I Can Only Imagine ...love you, dear friend...until we meet again....Barbara Noel VanderBoegh.*

“ Last Sunday I made a trip to Magoffin County. And as I passed the old building where she and Bill had the church near the Morgan County line, Sis. Edith crossed my mind.

Our thoughts and prayers are with her family during this most difficult time.
