“ This is Barbara, Rosie's daughter. Your family is in my prayers, my family all loved Elizabeth. We were visiting Thursday evening and I gave her a drink of water. She didn't seem to be any different than any other time. She told me one day that they were there just waiting on God to take them home. I don't think that Mother could have had a sweeter roommate..

Thank you so much! We thought the same thing about Rosie. Lots of times when we left Rosie would say “ give me you hand”. I would and she’d say “ I love you, remember me tonight”. I think of her ever night and continue to pray for her. Thank you and your family for the kindness you showed our mother. Dan and Cindi
