Tribute Wall

“ *Uncle Boo was the last Patriarch of my family. Uncle Boo was actually my great-uncle. He was my grandfather Roland's last living sibling. Boo was the baby of 13 siblings that survived to adulthood. He was the kind of person that everyone knew. He always had a story or a family memory to share. Mentioning his name brought a smile to your face. Uncle Boo loved his family dearly. I am truly heartbroken to lose our last Patriarch. He will be missed always and forever.*

“ *Papaw was the kind of man you read about in books. He lived loud, and loved hard. He was a force. He always had a story to tell or a saying. No matter how many times you heard them, they were never any less interesting. Papaw brought kindness and love into the lives of everyone he met. So many people, including me, are better because they knew him. I'll miss your laughs, I'll miss your hugs. I'll miss the life lessons you so loved to share. I'll carry you with me always, everywhere. I love you so much Papaw and I hope I make you proud.*
