“ *My little sister, she was a special soul - loved her family and friends the strongest girl from birth to her passing. My most precious Memory's of her is when she was little and just started school, our Dad Frank Howard used to drive her to school and to get her to go in he would have to spank her at times broke my heart but she acted as if she wasn't even fazed, when Dad would leave thinking she was in school, she would sneak out and I was told go across the street and ride the elevator all day. She was such a brave person all her life. God it's your turn to take care of my special little sister. 💔😭*

“ *Francis is the wife and mother of two of my favorite people, Danny and Brian. I've known of her courageous battle, faith and success for many years. The Dr's. didn't account for who she was and her faith over 20 years ago when they had unfavorable news to report. She enjoyed two more decades with family and friends and grandchildren. She did well.*

“ It made me very sad when I heard that Sister Frances was gone. Then I stopped and thought...gone where? To a place where there will be no more tears, death, nor sorrow, nor crying, and there should be no more pain. Revelations 21:4 KJV
Nothing but joy and peace forever and ever.
She made arrangements to go to that place many years ago.

I will always cherish the times we had together and conversations at the furniture store. Brother Danny I share your grief and know just how you feel. The Lord said he would never leave us or forsake us.
