Seems like we all went with PJ to get and old firetruck it was a long ride for us but kept us entertained. I don't know that side of my family very well PJ and Morris was the only ones i knew. “ I worked with Albert at Father Beiting's misson he was the one that hired me. He was the best person to work with, I knew him 20 years or so. I talked to him on the phone last year. He was always ready to be a servant to the people. May God comfort you Vickie and family in this time. I would like to come to the viewing but I just had spine surgery last week.
