“ *So sorry to hear of the loss of your Daddy. It is a great hurt to give them up. Can still remember you all being friends from the trailer court. Was so sorry when you moved on. But it was something we knew would happen. Some we just got to keep for friends on longer. Happy you and Paula mean a lot to me. You married one of my class friends from school. Paula I have seen on in the store. If you need anything let me know. Prayers will be said for your family.*
