“ I am so sorry to hear about Jamie passing away. I don't remember seeing him as a grownup. He, like so many other students that have passed away, comes to my mind as the little blonde haired boy sitting in my classroom so many years ago. I was pleased to find out that he had some little children that he loved and enjoyed. Lisa told me that he had a pretty little girl that goes to SGS. I will pray for you, Vonda and all your family. May God give you strength to go through the days ahead and may you see Jamie in his children as you watch them grow. I love you!
