“ I've known Janice my entire life. We were not only cousins & friends, but went to school together from 1st grade on. I remember she ALWAYS had a smile on her face, and how easy she laughed.. She had this little snigger of a laugh, that when you heard it, you couldn't help to laugh along with her!

“ I have a lot of fond memories of Janice but the one that always sticks out in my mind is her riding me on the handle bars of her bicycle and laughing like little girls do! And through the years, whenever we would get together we always had a good laugh over something. Farewell my dear sweet cousin I will miss you.
