“ *I'm so sorry to hear this, I didn't know him but I knew his wife Mika and I wish I could find the words to tell her how sorry I am for her lost... I seen pictures of their little family and it breaks my heart, by what everyone has said about him is that he was a amazing husband and loved Mika more than anything, he loved being a daddy, he was a hard worker because he wanted his family to have everything that needed or wanted and he loved his family and friends! I'm so sorry Mika, I'm here for you if you ever need anything or anyone to talk too. I know it's been years since we have seen each other but I will always be here for you... I will keep Mika, family, and friends and my prayers. I will have the Howard Family put on the prayer list. God bless you*

“ Unfortunately, I just learned of Jay's passing. I always thought a lot of him. I remember when we'd hang out together when I lived there in the late 90's-2000. There was never a dull moment with Jay. Never. He was always a lot of fun to be around. He will be missed.Renee, you and your family are in my thoughts and prayers.
