“ Trish,  
*Sorry I couldn't be there, prayers for comfort during the days ahead without your precious Jennifer. Our family has so many beautiful memories of the many nights she spent at the "Boys and Girls House", as she called it. Putting her fingers to her mouth like a peace sign to show how Dad spit his tobacco. Her love for Mom's soup beans, and that one not so nice word when it was time to go home and she wasn't ready to leave. I remember when I wrecked some time after brother Mike's accident and she came up to visit at mom and dad's. She stood at the doorway peeping around while I was laying on the bed and I had to keep coaxing her to come give me a hug. She finally came hurriedly in and gave me a big ole bear hug. With tears in her eyes she would keep saying during the time there, "Wayna, I don't want you to get in the car and go down the road anymore. Pikel went down the road and wrecked and the car rolled and rolled and he died. I don't want you to go down the road anymore. For months after that she would bring it up again and again and again till she finally got comfortable with my safety. Love her beautiful heart and soul, she had a great life surrounded by so very many that loved and adored her. She is with Jesus and all is well, Love and prayers to all.*

“ My deepest sympathy and love to all the family in the loss of sweet Jennifer. I'm so thankful for the wonderful memories of time with her. One special memory is when she became a member of Magoffin Eastern Star. On her special night she only wanted to walk with me. Of course I was so honored to do this with her? I loved her so much!
