“ Sorry to hear of Joey's passing. I got to know Joey a few years back when he visited Florida. We learned to walk with a blind cane in Walmart. We'd go there early in the morning when not many people were there to practice. He was a sweet soul who just wanted to see all he could, while he could. Now he sees! Loving person. Peace Joey. Love ya like a brother.

“ Just learned of Joey's passing. I always thought a lot of Joey when I lived up there in the late 90s. I was fortunate enough to actually run into him again when I move back up there for short time in 2008. And I was just thinking about him a few days ago. He crossed my mind. Our thoughts and prayers are with the family during this difficult time. Rest in peace buddy.
