“ *My uncle was loved and will be missed by many. My uncle has a love of life and was a kind soul who helped several people in his life. (His brothers and sisters were always on his mind and he worried about all of them)*
When he called me and I missed the call he would always say" this is your favorite uncle calling.
The above statement is true. I loved my uncle and will miss him dearly.

“ *To my Uncle John's immediate family, I send my deepest sympathy. My, mother, Frances, John's eldest sister, is heartbroken, too. We have many good memories of my uncle, who was ever so gracious when we visited his any number of businesses -- restaurants, truck stops, bars -- in Michigan. He is greatly missed.*
