Judy was a neighbor her sister Ruby was one of my closest childhood friends and I think God for the friendship of this family. “ *She was my third and sixth grade teacher. She was the best. I was a little chubby, backwards, quite, and very shy kid, but she made a big difference and I have never forgotten her. She always said that she just had to have a big hug and had to pinch my cheeks or she wouldn't be happy all day. I truly loved her, she made me feel special.*
