“ So many dear memories of our childhood. We were cousins, neighbors and best friends. From our walks to the store with our quarters, to our bike rides and accidents, I will always cherish every memory in my heart of our childhood and teen years. Wish I could have got to visited with you. But you forever will remain in my heart. Rest In Peace dear cousin. Save us a place! ❤️

Kitty you were more than a cousin to us. There's no way to think of our youth without you being in it. We were as close as sisters and loved like that too. I know you are with Jesus and proud to hear you boldly proclaim Him in your living testimony as we sat in church together. It hurts to let you go but we suffer in this old world and you had your share for sure. Wait for me when we can live eternally in peace. You were so loved.....

Kitty, I met you when I lived at Allen Drive Apartments. You were a very sweet person and it didn't take long for me to consider you a wonderful friend. I loved setting and talking to you. I missed you when I moved. I will always remember the good times we had. Love you and miss you my dear friend. RIP. Lorene Salyer

“ You were one of my few friends during high school. We spent hours giggling and acting like young girls should. When we did get together later in life, we picked up right where we left off. Rest In Peace my friend.
