“ Samantha, I do not know how to begin to say how much the death of your precious child has affected our family. You were an important member of our family, when you and Becky were growing up. You always called me your second Mom and never wanted to go home. When you did go home, we missed you. Unfortunately, we have grown apart over the years, but you and your family have held a special place in our hearts. We are deeply saddened by the death of Madison and will always ask the question, Why? We love you and your family and hope that you know we are always here for you. Our prayers are prayers of comfort and strength. May you always lean on our Lord Jesus Christ. Always remember you will always be part of our family and that we will always love you and your family. God Bless
