“ I'll always remember the time I spent the summer with her and her family in Michigan. She treated me like one of her own kids and loved me the same. She was a very special person and I know her loss has left a void in her children's lives that will never be filled. I wish I had words to help make this easier for them but there aren't any. All I know is God hears our prayers and he's the great comforter. I'm praying for him to comfort the family and give them the strength they need to get through this. I love you Kevin, Keith and Kurt. You will be in my prayers today and for the days that lie ahead.
