AP

“ *I worked with Mark and Nick at ITC for a few years and I am so very sorry for your loss.... I remember he let me drive one of his old cars because mine wouldn't start. He was always like that. If he could help someone, they wouldn't even have to ask. He would just be there for whatever. I am just learning about him passing today... otherwise I would have been there. Nick... my thoughts are with u... if u need anything (606)362-1812*
