“ I can remember as a child her and my mamaw marie Puckett sitting on the porch talking and marie would always include me in those conversations. I always loved when she would walk over and we all would sit and talk. I loved marie as a child I remember asking my mamaw all the time if I could go to Marie's she would always joke and play with me such a sweet good person. My mamaws best friend on earth has joined her in heaven. I love you marie. Prayers for the family.

“ *Thinking of all the long phone conversations with Aunt Marie over the years. She loved to talk about her childhood growing up with a large family. I loved hearing the stories and the history of life in the hills of "Big and Little Caney" Ky. in the early 20th Century. Marie was a sister to my mother Ranie, hard worker, independent spirit, a servant heart, love for family and a strong Christian faith. My heart is sad to lose another family member but I'm sure Aunt Marie's heart is filled with the beauty, joy and peace of her heavenly home. Blessings to all the family. Barbara Sain and family.*
