“ So sorry to hear this. The Times we have played through the store at the sales. It was the place we loved to get to go. Then in school we got to go together in High School. She was a quiet and fun person to know. Can always remember Fannie keeping the children in line. Bobby stop jumping on those mattresses. Most of the time Bobby wasn't close to them. But know Melissa was a friend. Would talk each time I seen her. To the whole Family from Marlene Russell
