“ I do not remember this lady, but really enjoyed so many in her family: Mitchell was a classmate and also Dottie. Of course, Rex was older, but friendly to everyone, especially when he would come to Puncheon and check on his property, cows too, I think.

Somehow I associate Bess Jackson and Hortense Lovely meeting the bus. Maybe one or both cooked in the cafeteria. And maybe they hitched a ride on the bus at random! Anyway, it was a lovely, close family and just by their living near, they defined the graphics of Royalton and Route 7. God Bless good memories and those who make them.
