“ *My Uncle Raymond, You were a one of a kind, there is no doubt. You will be missed and forgotten, your Family loved you very much, even though it may not have been said. I was glad that day you turned around and shook my hand and said, I Love You Nephew. I will never forget that moment. I suspect that you were a lot sicker than you ever let on, because you were not one to complain. I hope that you, Grandma and Uncle Larry are together in Heaven and watching over Mommy, me, and all your brothers and sisters. We need it. We will probably never know the truth as to what really happened on July 4th, 2018, but we will have to accept the fact that you are no longer here on God's green earth. May you RIP and Fly High Raymond "Buzz" Long. I Love You too. Jeffrey.*
