“ As her Aunt Burma I have loved Rowena since she was a little girl and watched her as she grew up. She was always a blessing and a joy! On behalf of her dad, Norbert Ray, my brother, I would like to say that she will always be remembered and loved from the depths of our hearts. Also, I am so proud of you children and grandchildren. Rest assured that she lives on through you--make her proud as you go on and pursue the best life you can live. God has truly blessed our family and we owe our gratitude to Him for giving us all those years with our beloved mother, grandmother, niece and aunt--our blessed Rowena! May His comfort be with you on this sad day! Love and hugs to All! Wish I could be there also!

“ We never got to spend much time with cousins Rowena and Randy growing up since we lived in different states, but we always looked forward to the good times we had with them on our summer visits each year to our Granny Mabel and Grandad Everett's house in Kentucky. I certainly miss those simple times running around the hillsides and climbing trees and catching lightning bugs and hiking at The Breaks with the Rowena, Randy, and my brother Gary.
