“ *Last time I saw Roy ,he came to my house preaching saying that god spoke to him . He said you think that I'm just saying this .But Nicole god spoke to me and told me that I had to speak his words that god was speaking though him . He said I'm high on God . I did believe him because I had never heard Roy speak in the way he was . He was actually preaching like he had preached all his life. You will be missed my friend.*
