“ I have so many wonderful memories. Ryan was so sweet and kind. I remember coming to visit and playing with Misty when I was a kid. Ryan would always come out and do something silly. He always found a way to make me laugh m. His sense of humor along with his kind heart is something I can never forget. I am sending all my love and prayers to Patti, Misty, and the family. I am so sorry. I love you all dearly. Rest in heaven Ryan

“ I remember Ryan and his sister Misty Cheek from school. Me and Misty were friends and I can remember Ryan would always want to tag along behind her when he was just a kid. He was so sweet well mannered and very kind. He was a great young man and I know he will be missed dearly. My prayers and thoughts goes out to Ryan's family and just remember he is with God now and you will always carry him in your heart.

*So blessed to have gotten to spend the day with my cousin, Ryan, last week in the pool. I will never forget his beautiful smile. He was so happy and seemed to have the spirit of the Lord on him. He was praising God for getting him through so many situations in the past. I told him sometimes we have to go through things in order for God to help shape and mold us for things to come on our journey. I told him he was on the right path and well on his way. We talked a bit about the Bible and had a good day. Little did I know this would be the last time I would get to see Ryan. Like all of us, at times, Ryan had battles to fight. Praise God that he had mercy and gave Ryan the chance to enter into his kingdom. I hope to see him smile again. I believe Ryan is with a good friend of mine, Jesus. May God comfort my sis Misty, my aunt Patty and the rest of our family during this time of great lost. Can't believe we lost Mom and Ryan within weeks of each other. May they Rest In Peace until we meet again. The pain is real but I'm left with the quote, as Ryan would say, "This too shall pass."*
