“ *Shelia is my Nanny, and today is 8 years since she’s passed. I have never been so loved by anyone the way that she loved me. And everyone knows just how much she loved me (; I was the light of her life, and she was mine. She always called me her angel, but little did she know she was mine. She was my safe place when I wanted to get away from home. Nanny, I love you so much and I miss you every single day & night. It doesn’t even seem like it’s been 8 years since you leaving. Thank you for loving me so much. Until we meet again. ❤️*

“ *I babysit for Sheila's kids when they were small. She was always good to me. One memory of her is when the night she went into labor with Tim,she took the time to show me how to do the laundry. I was only 16 and pregnant at the time. I loved her very much.*
