“ You had a beautiful soul, you'r light shined, I only wish you could've seen yourself the way I did. The funny, loving, street smarted woman that wan'ted to please everyone and be accepted by everyone. loved everyone regardless if they deserved it. you loved so many that did were not deserving that it hurt you. They blew out that light.

*I miss hearing "boss" like Poppy named me.....and all the memories we made, the fun, the sad, mad, the good, the bad and all the ones in between.*

*they were all moments, with you. so they are all special.*

*love and goodnight,  
boss*
