“ *Tim was loved by my family when he lived with us and he was such a joy to have around. There was always a sparkle in his eyes and laughter whenever he was around. I will always have fond memories of Tim. I wish I had been able to find him sooner 🥺*

“ *My sweet Timmy, I'll just miss you to pieces. I'm so glad that our lives crossed and that you were my foster brother. I'm even happier we stayed in contact over the years and most importantly over that last few months. I hope that all who see this picture can see how much we did love and care for another. I shall keep your memory tucked safely in my heart for the rest of my life. I hope you always felt just how much our family loved you and how much they still do. Until we meet again, find peace in heaven. I'll like you forever, love you for always as long as I'm living my brother you'll be. ❤️*
