“ Travis, I don't know even know where to begin. This has been one of the hardest things I have ever went through. Rylee misses her daddy so much. She talks about you often. Please continue to watch over our girl! Every time I look into her little eyes, I thank God for giving us her. She is her daddy's little girl that's for sure!

“ Trav... where to even begin lol. There's so many and in every one I felt your protection! You always felt the need to watch over me and the respect you showed me was one unlike anyone else. Then when you needed something you never hesitated to call "sis". I will miss hearing that word from you 😭 You were truly a friend! To say we will miss you would be such an understatement! You will be in our hearts and minds until it's our turn to leave this world and then I pray we will all have an eternity in heaven together ! Fly high and rest easy my friend your fight is over 😭😭
