“ Vicky made the best peanut butter fudge, had a tireless work ethic, and was as sarcastic as they come. She had a very expressive face and could crack me up with just a look. RIP Vicky and prayers for the many who loved her.

“ I worked with Vicky at Toyota. She was always friendly and kind to me. I remember mostly working on Saturdays with her. She made the work go by quickly, even fun at times because of the conversation. She was a great help with Diversity groups. My sympathy to all the family.

“ Paul & I met Vicky at Bristol Campgrounds years ago. We were out grilling and happened to look down and see this little beagle. A short time later I hear a lady yelling Gator...Gator. I ask are you looking for this dog. She laughed and said yes. We started a long conversation and became good friends. Vicky I love you like a sister, and we will miss you so much! When camping time comes this year, I will have the coffee pot hot for us to share. Oh yeah by the way Gator did have bacon n eggs that morning.

“ Roger and I meet Vicky when Dennis Ray moved here to Kentucky. Quiet awhile ago. We was always welcome to come to their home. Dennis always wanted Roger to come and fish his ponds. Just doesn't seem right both of them are gone.
