“ I was so sorry to hear about Walter. I remember him as a little boy when they lived next door to my parents and I definitely miss seeing him at SNRC. I didn't get to come to the visitation or funeral because I was out of town during that time, but my prayers have been for his family and friends during this time.

My sister, Laura, and I used to look forward to playing with Walter Lee every summer, during our visits with our grandparents, Melvin & Lula Belle Mason. My aunt, Leslie, told me of Walter Lee's passing just last week, during our visit with her and my grandfather in FL. How horribly sad! It's hard to wrap my head around. I'm so very sorry for his wife & family. Prayers & sympathy.
