“ Seems like just a couple of years ago Wilfred, Phillip and I were playing basketball beside the old store building or fishing in the Licking. (Sympathies from the Ron Hampton family).

“ *Condolences to the Family of Wilfred Gray Keeton. A fond memory was showing my niece the countryside by the back road of cow creek. There was no cell service in that area. It was a bummer for Uncle Joe as we got stuck in the jeep up to the axles. After several hours, we had help coming. Wilfred and Philip, and my nephew Doug Howard came to our rescue.*

Uncle Joe is my deceased husband and uncle to Wilfred. The Keeton family will always be with me in my memory. I am sorry I can't be with you at this time of sadness.

My niece, Donna, came to visit us from Colorado. I told her we would go the way my mother and I would rode our horse named Fred. It was rather rough riding, one area was so bad we got off the horse. Once we got to the top of the hill, we were close to my Aunt Orlena's home. My niece wanting to know all about the back roads we traveled. We had a lot of conversations. Your Uncle Joe would share a lot of information.

When we were at Cow Creek Road, we passed a cemetery when we got to the bottom of the hill. That's we he got stuck in the jeep on a muddy road full of water and weeds. Uncle Joe was concerned about snakes being in the water. Donna crawled out the back way and wanted to start walking. Uncle Joe said no, we need to wait.

This is just one of many memories I have.
