“ *Winston had two sons she was always so eager to brag about and loved more than anything in this world. However, she helped raise and mold many other "sons" throughout the years. She is loved and greatly missed...*

“ *Dear Woody and Chris, my memory of your mom goes back to when she and your daddy first met. He said "I can't wait for you to meet Winston, she is one of the prettiest women I have ever met. Soon after they were married and then you boys came along. She was a very happy mother. When I went to the farm we always shared tails about our boys. I am so sorry that you lost your father and your mother so young in life. My heart aches for you both. Always remember Woody and Chris that you were her heart and soul. May you find peace and comfort in the sweet memories you all made together. Love you both so much. Auntie Patti*
